MOTION

THE NATIONAL CABLE TELEVISION ASSOCIATION, INC.

The National Cable Television Association, Inc. (NCTA) respectfully requests leave to file a petition for reconsideration in the above-captioned proceeding that exceeds the 25-page limit set forth in the Commission's Rule.

The petition seeks reconsideration of several aspects of the Commission's Report and Order in this proceeding -- a Report and Order that itself exceeded 350 pages, not including the attachments and rules. The Report and Order defines comprehensively the framework for rate regulation of the cable television industry.

NCTA has attempted to address only the most critical issues

the Report and Order but it is impossible to deal
meaningfully with all issues in 25 pages. Accordingly, we are
submitting this motion for reconsideration in 35 pages.
